

lovemotorsports.com Expands Powersports Vehicles Inventory to Serve Expanding Market

June 11, 2026

HOMOSASSA, FL - June 11, 2026 - PRESSADVANTAGE -

lovemotorsports.com, a comprehensive powersports dealership based in Homosassa, Florida, has expanded its inventory and service capabilities to better serve customers seeking powersports vehicles for sale in Ocala and throughout the Central Florida region. The expansion includes increased stock of motorcycles, all-terrain vehicles, side-by-sides, and personal watercraft from leading manufacturers.

The dealership now maintains one of the region's largest selections of powersports vehicles, representing over a dozen major brands including Polaris, Can-Am, Yamaha, Honda, Suzuki, Kawasaki, Aprilia, Moto Guzzi, Vespa, Piaggio, Segway Powersports, Hammerhead Off-Road, and Tomberlin. This diverse inventory positions the company to meet growing demand across multiple vehicle categories as the powersports market continues its expansion throughout Florida.

"The powersports industry in Central Florida has experienced significant growth over the past several years, and we've responded by expanding both our inventory depth and brand partnerships," said Chad Halleen, owner of lovemotorsports.com. "Our customers range from recreational riders looking for personal watercraft to commercial operators needing utility vehicles, and we've structured our operations to serve this diverse

market effectively."

As a Personal Watercraft Dealership, lovemotorsports.com stocks models from Yamaha WaveRunner and other leading manufacturers, addressing increased demand for water recreation vehicles throughout Florida's extensive waterway systems. The dealership has also expanded its selection of side-by-sides and utility task vehicles, which have seen substantial growth in both recreational and commercial applications.

The company's service department has grown to include twelve service bays staffed by factory-trained technicians equipped with the latest diagnostic equipment. This expansion enables the dealership to provide comprehensive maintenance and repair services for all vehicles sold, from routine maintenance to complete engine overhauls. The service department also performs customization work and performance upgrades, supporting customers who want to modify their vehicles for specific applications.

"We've invested heavily in our service infrastructure because we understand that customer support extends well beyond the initial sale," added Halleen. "Our technicians receive ongoing factory training across all the brands we represent, ensuring they can properly service everything from traditional motorcycles to the latest electric powersports vehicles."

The dealership also maintains an extensive parts and accessories department, stocking both OEM and aftermarket components for the brands they represent. This inventory includes riding gear, safety equipment, and vehicle accessories, providing customers with comprehensive support for their powersports activities.

lovemotorsports.com operates from its Homosassa location, serving customers throughout Central Florida including Ocala, Crystal River, Inverness, and surrounding communities. The dealership offers financing options for qualified buyers and maintains relationships with multiple lending institutions to accommodate various credit situations. Founded as a family-owned business, lovemotorsports.com has established itself as a multi-line powersports retailer offering sales, service, parts, and accessories across the full spectrum of recreational and utility vehicles.
