

Era Pickleball Announces Enhanced Membership Programs and Expanded Services for Shenandoah and Surrounding Communities

May 30, 2026

The Woodlands, Texas - May 30, 2026 -
Era Pickleball, the premier indoor pickleball facility serving The Woodlands and surrounding Texas communities, announces comprehensive updates to its membership programs and service offerings designed to meet the growing demand for organized pickleball activities in Montgomery County.

The Era Pickleball Website now features an updated booking system that streamlines court reservations and program registration. Members can access the platform to schedule open play sessions, register for leagues and tournaments, and book private lessons with certified instructors. The digital improvements complement the physical facility enhancements, creating a seamless experience for the club's growing membership base.

The facility, which features 13 indoor courts and offers over 250 hours of open play weekly, has restructured its membership tiers and expanded its programming to accommodate players at every skill level. The updates include enhanced league structures, additional clinic times, and expanded youth academy sessions to serve

the rapidly growing pickleball community across The Woodlands, Spring, and Shenandoah areas.

"The growth of pickleball in our region has been remarkable, and we're committed to providing the infrastructure and programs that allow players to develop their skills and connect with others who share their passion for the sport," said Christian Tejada, Director of Operations at Era Pickleball. "These updates reflect our members' feedback and our dedication to creating the most comprehensive pickleball experience in Southeast Texas."

Pickleball in The Woodlands, TX has experienced unprecedented growth over the past year, with participation rates increasing across all age demographics. Era Pickleball's expanded programs address this demand through structured leagues that run throughout the year, offering competitive play opportunities for beginners through advanced players. The facility also hosts regular tournaments that attract players from across the greater Houston area.

The club's instructional programs have been refined to include more specialized clinics focusing on specific aspects of gameplay, from serving techniques to strategic positioning. Private lessons remain available for those seeking individualized attention, while group clinics provide cost-effective training options for players looking to improve their skills in a social setting.

The youth academy expansion represents a significant investment in the next generation of pickleball players. The program introduces children to the sport through age-appropriate instruction that emphasizes fun, fitness, and fundamental skills development. Academy participants progress through structured levels, building confidence and competence while forming lasting friendships.

Pickleball in Spring, TX residents now have enhanced access to Era Pickleball's programs through improved scheduling that accommodates various work and lifestyle commitments. Morning, afternoon, and evening sessions ensure that players from neighboring communities can participate regardless of their daily schedules.

Corporate event offerings have also been enhanced, with customizable packages that include court time, instruction, and tournament organization. These events provide team-building opportunities for local businesses while introducing employees to the fastest-growing sport in America.

Era Pickleball operates as the largest dedicated indoor pickleball facility in The Woodlands area, serving players from across Montgomery County and beyond. The club combines state-of-the-art facilities with comprehensive programming to create a community hub where players of all ages and abilities can enjoy the

sport year-round, regardless of weather conditions.
