

## **Jeff England Motor Company Expands Pre-Owned Vehicle Offerings with Addition of Used RVs**

*June 11, 2026*

CLEBURNE, TX - June 11, 2026 - PRESSADVANTAGE -

Jeff England Motor Company has expanded its inventory of pre-owned vehicles to include used RVs, providing customers in North Texas and across the nation with additional options for reliable transportation and recreational needs. The dealership, which has proudly served car and truck buyers for over 20 years, continues to focus on offering quality pre-owned cars, trucks, vans, work trucks, and SUVs while now incorporating RVs into its selection.

The move reflects the dealership's ongoing commitment to meeting the diverse needs of its customers, who often seek dependable vehicles for both daily use and leisure activities. With inventory that changes daily, the addition of used RVs allows Jeff England Motor Company to cater to a broader range of buyers interested in recreational travel options alongside its established lineup of trucks and SUVs. Popular truck models such as the Ford F-150, F-250, and F-350 remain strong sellers, complemented by a variety of other pre-owned vehicles available at competitive pricing.

Jeff England Motor Company operates with a focus on fairness, honesty, dependability, and hard work, values that align with its customer base. The dealership maintains a fully staffed service department capable

of handling repairs and maintenance for a wide range of vehicles, including cars, SUVs, trucks, and now RVs. This comprehensive support ensures that customers can keep their purchases in optimal condition, whether for work, family transport, or extended trips.

In addition to vehicle sales and service, the company offers an extensive truck accessory showroom. Customers can find functional upgrades such as bed liners, tonneau covers, and toolboxes, as well as comfort and tech additions like seat covers, phone mounts, and LED lighting. Performance enhancements including lift kits, upgraded intakes, and winches are also available, along with professional installation services. As a franchised Line-X spray-on bed liner dealer, Jeff England Motor Company provides high-quality name-brand products designed for protection, utility, performance, and style.

"Over the past two decades, we have built our business on providing dependable vehicles and exceptional service to customers who value reliability," said Jeff England, Owner. "The addition of used RVs is a natural extension of our commitment to offering practical solutions for North Texas families and individuals, whether they need a reliable daily driver, a capable work truck, or now options for recreational adventures."

England added that the dealership's repeat customers and referrals remain a significant part of its success, underscoring the importance of customer satisfaction in every aspect of operations. The service team stands ready to assist with everything from routine maintenance to more complex repairs, including towing and recovery services available 24/7 with a state-of-the-art flat-bed truck.

Jeff England Motor Company sources its pre-owned inventory carefully to ensure quality and value. Buyers can explore options ranging from everyday passenger cars to heavy-duty work trucks and now a selection of used RVs suitable for various lifestyles. The dealership emphasizes transparency in all transactions, with a dedicated team available to help customers find the right vehicle to meet their specific requirements.

The expansion into RVs comes at a time when interest in outdoor recreation and flexible travel options continues in the region. Jeff England Motor Company positions itself as a one-stop resource for vehicle needs, combining sales, accessories, and service under one roof. This integrated approach allows customers to address multiple aspects of vehicle ownership efficiently, from initial purchase to ongoing maintenance and customization.

With a location in Cleburne serving the broader North Texas area and buyers nationwide, the dealership has earned a reputation for straightforward dealings and quality selections. Its truck accessories department, in particular, supports customers looking to enhance their vehicles for both functionality and personal preference, drawing on expertise to recommend and install appropriate products.

Jeff England Motor Company remains focused on adapting to customer demands while upholding core

principles of integrity and service. The inclusion of used RVs in the inventory provides new opportunities for buyers seeking versatile pre-owned options without compromising on the dealership's standards for reliability and support. As inventory evolves, the team encourages interested parties to check current offerings regularly for the latest arrivals in cars, trucks, SUVs, and RVs.
