

Kick It 3v3 Soccer Celebrates 10+ Years in Tulsa with Continued Partnership and 2026 World Tour Event

June 15, 2026

Denver, Colorado - June 15, 2026 -
Kick It 3v3 Soccer is returning to Tulsa as part of its 2026 World Tour, marking an important milestone in the organization?s long-standing presence in the local soccer community. The upcoming event celebrates more than 10 years of hosting tournaments in Tulsa, made possible through an ongoing partnership with local soccer organizations and continued community support.

The tournament will once again take place at the Union Soccer Club Complex ? Bill Boevers Fields, reinforcing a relationship that has helped grow small-sided soccer in the Tulsa region for more than a decade. Over the years, the Tulsa event has become a consistent stop on the Kick It 3v3 tour, bringing together players, families, and local supporters for a fast-paced soccer experience focused on participation and player engagement.

?We?re proud to be back in Tulsa and to continue a partnership that?s been in place for over a decade,? said Dan Stratford, CEO and Owner of Kick It 3v3 Soccer. ?This is a market that has consistently supported

our events, and that long-term relationship is exactly what we?re focused on building across the country.?

The 2026 Tulsa tournament continues a tradition that has helped establish Kick It 3v3 Soccer as a familiar presence in the region. The event is designed to create an accessible and engaging playing environment for participants of all ages and skill levels while emphasizing the benefits of small-sided soccer. Teams competing in the tournament are guaranteed four games, helping maximize time on the field and opportunities for player development.

In addition to the 3v3 tournament format, the Tulsa event will include supplemental competitions such as 1v1 challenges and 2v2 soccer tennis, providing participants with additional opportunities to showcase their skills in a fun and competitive setting. Flexible registration options are available for both established teams and individual players looking to participate.

The tournament is open to youth players from U6 through U19 and also includes adult men?s, women?s, and co-ed divisions. By offering divisions for a wide range of ages and skill levels, Kick It 3v3 Soccer aims to create an environment that welcomes recreational and competitive players alike.

Participants will compete for high-quality medals and sportsmanship awards while experiencing a style of play intended to increase touches on the ball, encourage creativity, and keep players actively engaged throughout each game. The small-sided format is designed to promote quicker decision-making, more scoring opportunities, and increased involvement for every participant on the field.

As part of the broader Kick It 3v3 World Tour, teams competing in Tulsa can also earn points toward qualification for the Kick It 3v3 World Championship in Vail, Colorado, scheduled for July 24 through July 26, 2026. This connection provides local players with an opportunity to participate in a national tournament pathway while remaining connected to an event that has become a longstanding tradition within the Tulsa soccer community.

?What makes Tulsa special for us is the consistency and the people,? Stratford added. ?When you have a community and a partner like Union Soccer Club that continues to support and grow the event year after year, it allows us to build something meaningful and sustainable.?

The Tulsa event reflects Kick It 3v3 Soccer?s broader strategy of investing in long-term partnerships and repeat markets, helping create reliable experiences that players and families can return to year after year while strengthening local soccer communities.

The Tulsa tournament is scheduled for Saturday, June 13, 2026, at Union Soccer Club Complex ? Bill Boevers Fields in Tulsa, Oklahoma. The event will feature a 3v3 tournament alongside 1v1 and 2v2

competitions and is open to youth players, adults, teams, and individual participants.

Registration is now open. Additional information about the Tulsa event is available at kickitsoccer.com.
