Based in Basking Ridge, New Jersey, Fellowship Deaconry Ministries has announced an upcoming conference dedicated to women. The Emotionally Healthy Woman Conference is set for Saturday, May 14, 2016 and will run all day from 8:00 a.m. until 5:00 p.m.

Shanti Fabiunke with Fellowship Deaconry Ministries says, "The seminar is going to help women to be ready to take the next step in their lives, and is sure to be a blessing to all."

More about the seminar can be found at http://deaconry.org/emotionally-healthy-woman-conference. Fabiunke states that the one day event will follow the steps indicated in book, "The Emotionally Healthy Woman: Eight Things You Have to Quit". It integrates practical emotionally healthy skills, and helps women to better serve their Godly lives.

"We believe that it will be a day filled with fun and inspiration, and we are proud to announce that the event will be held on our premises," says Fabiunke.

The ministry states that women of all ages are invited to attend, including groups and other women's ministries. Registration on the day of the event will begin at 8:30 a.m. and the first conference session begins shortly after. The event includes four sessions with Geri Scazzero, speaker, as well as breakfast, lunch, and snacks throughout the day. The book, The Emotionally Healthy Woman, and a companion workbook are also included in the registration cost.
