

Rag Mops Cleaning Service Celebrates Fourth Consecutive Year Supporting Wellington Sharks Swim Team as Longest-Standing Sponsor

June 18, 2026

Lewisville, Texas - June 18, 2026 -

Rag Mops Cleaning Service is marking its fourth consecutive year as a sponsor of the Wellington Sharks Swim Team, serving as the program's longest-standing sponsor ahead of the team's 30th anniversary season. The continued partnership underscores the cleaning company's commitment to local youth development and community programs in the North Texas area.

The Wellington Sharks Swim Team, based in the Wellington community of Flower Mound, provides a summer competitive swimming experience for area residents. The program involves approximately 250 swimmers and families each season and focuses on building skills, fostering leadership among young coaches, and promoting community involvement through volunteerism. Sponsorship support assists with equipment replacement, operating costs, and maintaining accessibility for participating families.

Debi Bascue, owner of Rag Mops, addressed the ongoing involvement. "We're honored to continue our partnership with the Wellington Sharks Swim Team for another season. Supporting local families, youth development, and community programs has always been important to us, and we're proud to play a small

part in helping this outstanding organization thrive as it celebrates its 30th year."

Local sponsors like Rag Mops gain visibility throughout the season through placement on team shirts worn by swimmers, family members, and community participants across Wellington and surrounding areas. This exposure reaches hundreds of residents during practices, meets, and events. The 2026 season marks a significant milestone for the team as it enters its third decade of operation in the region.

Rag Mops Cleaning Service, which has provided residential cleaning in Lewisville, Flower Mound, and nearby Denton County communities for more than two decades, integrates community support into its operations. The company offers standard recurring cleaning, deep cleaning, custom cleaning, and move-in or move-out services tailored to individual household needs.

Debi Bascue added perspective on the sponsorship's significance. "Being recognized as the Sharks' longest-standing sponsor is incredibly meaningful to our team. Over the years, we've watched the program positively impact hundreds of swimmers and families, and we look forward to supporting its continued success for many seasons to come."

The sponsorship aligns with broader patterns of local businesses contributing to youth sports programs in growing suburban areas like Flower Mound and Lewisville. Such partnerships help sustain community organizations that emphasize physical activity, skill development, and family engagement during the summer months. Swim meets and practices draw participation from across the area, creating opportunities for sponsors to connect with residents.

Rag Mops maintains a focus on trained professionals who deliver consistent, reliable service with attention to client preferences. The business serves locations including Highland Village, Lantana, Argyle, Corinth, Coppell, Double Oak, Carrollton, and adjacent communities. Its model emphasizes respect for homes and properties while providing flexible scheduling options for recurring and one-time projects.

The Wellington Sharks program operates as a community-oriented swim team within the Swim North Texas framework. Families participate in structured practices, competitive meets, and team-building activities that promote both athletic growth and volunteer contributions. The 30th anniversary season highlights the program's longevity and its role in the local recreational landscape.

As one of the established cleaning providers in the region, Rag Mops Cleaning Service continues to balance professional service delivery with active community involvement. The company has supported various local initiatives, including youth sports and other area programs, as part of its commitment to the neighborhoods it serves.

This latest sponsorship year coincides with increasing demand for family-oriented activities in North Texas suburbs. Programs like the Wellington Sharks offer structured summer experiences that complement the lifestyles of working families in Lewisville, Flower Mound, and surrounding towns. Rag Mops' support contributes to keeping such opportunities accessible while fostering community connections.

The cleaning service's team of experienced professionals receives ongoing training to meet diverse client expectations for home maintenance and organization. Services range from routine weekly or bi-weekly visits to more comprehensive deep cleans that address specific household needs. This reliability has built long-term relationships with local residents who value dependable support.

Community sponsorships in youth sports often reflect a business's investment in the areas where its clients live and work. For Rag Mops, the multi-year commitment to the Wellington Sharks demonstrates sustained dedication to programs that benefit hundreds of local children and families annually. The visibility on team apparel reinforces the company's presence in the region.

Rag Mops Cleaning Service remains dedicated to delivering quality residential cleaning solutions that allow families in the Denton County area to maintain clean and healthy homes. The business plans to build upon its community partnerships, including the continued support for the Wellington Sharks Swim Team, as it advances through its own established history of service in Lewisville and beyond.
