

## **Landscapes Unlimited Expands Team to Meet Growing Demand for Twin Cities Landscaping Services**

*June 18, 2026*

INVER GROVE HEIGHTS, MN - June 18, 2026 - PRESSADVANTAGE -

Landscapes Unlimited, a family-owned and operated full-service landscaping company serving the Twin Cities metro area, is expanding its team across multiple divisions to support increased demand for design, build, and maintenance services. The company is actively recruiting for positions in landscape design sales, project management, crew roles, and commercial maintenance as the summer season progresses.

This expansion initiative addresses the need for additional skilled professionals to handle residential and commercial projects throughout Woodbury, Minneapolis, Saint Paul, Minnetonka, Lake Minnetonka, and surrounding communities. The company continues to grow its capacity while upholding standards of quality, sustainability, and personalized service that have earned client trust across the region. New team members will contribute to ongoing work in landscape design and build, hardscaping, irrigation, lighting, and year-round property care.

"Expanding our team allows us to maintain the high level of attention and expertise our clients expect while taking on more projects that enhance outdoor spaces," said a representative from the Landscapes Unlimited leadership team. "We seek individuals who share our commitment to craftsmanship and client satisfaction."

This growth reflects the positive momentum in our business and the continued demand for reliable landscaping solutions in the Twin Cities.?

Landscapes Unlimited offers opportunities in the design and build division, including landscape sales designer/estimator, landscape design associate inside sales, landscape foreman, experienced landscape crew member, and landscape project manager roles. In the commercial division, openings include commercial account manager, fertilizer applicator technician, grounds supervisor, and irrigation service technician positions. The company provides a supportive environment focused on professional development and team collaboration.

Candidates interested in these roles can explore detailed job listings on the company website and submit applications online. Landscapes Unlimited emphasizes equal opportunity employment and values diverse backgrounds that contribute to innovative approaches in landscaping. The firm operates from its corporate headquarters in Inver Grove Heights, with additional locations in Andover, Corcoran, Maple Grove, and a design studio in Deephaven.

This team expansion supports the company's full range of services, including residential and commercial landscape design and build, paver patios and walkways, retaining walls, outdoor living features such as kitchens and fireplaces, pool projects and decks, landscape lighting, irrigation systems, maintenance programs including mowing and seasonal clean-ups, and snow and ice management. By strengthening its workforce, Landscapes Unlimited aims to deliver timely, high-quality results tailored to each client's vision and property needs.

A client from Woodbury shared positive experiences with the team's work: "Overall a great experience working with LU for our patio installation. The project was on budget and completed on time within the scope of their control. I would recommend their services."

Landscapes Unlimited remains dedicated to sustainable practices, using regionally appropriate materials and methods that promote long-term environmental responsibility. The company's growth strategy includes ongoing training and opportunities for advancement, fostering a culture where team members can develop skills while contributing to meaningful projects that improve properties across the metro area. Team members benefit from a collaborative workplace that encourages personal and professional growth, as noted by current employees who appreciate the opportunity to work with passionate individuals dedicated to creating and maintaining beautiful outdoor spaces.

As summer projects accelerate, the expanded team will help ensure efficient project execution and responsive service. The hiring push comes at a time when demand for professional landscaping continues to rise in the region due to increasing interest in outdoor living spaces and property enhancements. Interested

applicants are encouraged to review openings and submit applications promptly to join during this period of active hiring.

Landscapes Unlimited is committed to fostering an environment where team members can branch out and cultivate beautiful landscapes as well as their own personal and professional growth. The company's approach combines expertise with passion, offering comprehensive design and construction services tailored to both residential and commercial needs across the Twin Cities.
