Bloomin' Blinds of Cumming & Johns Creek Named Best Window Treatment Company for 2026

July 03, 2026

Cumming, Georgia - July 03, 2026 -
Bloomin' Blinds of Cumming & Johns Creek has been recognized as the Voted Best Window Treatments Company for 2026 in the annual My Cumming Best of 2026 readers' choice awards. The family-owned and operated business earned the distinction through a competitive voting process where local residents nominated and selected their preferred businesses across various service categories.

The award recognizes Bloomin' Blinds for their comprehensive approach to custom window treatments, including professional installation and repair services throughout Alpharetta, Cumming, Ball Ground, Dawsonville, and Johns Creek. The company specializes in custom window blinds, shades, shutters, and other window covering solutions tailored to fit windows of any size or shape.

"Receiving this recognition from our community validates our commitment to providing exceptional window treatment solutions and personalized service," said Ashley Sasher, owner of Bloomin' Blinds of Cumming & Johns Creek. "Every consultation, measurement, and installation reflects our dedication to helping homeowners achieve both functionality and beauty in their spaces."

The My Cumming Best of 2026 awards represent a voluntary voting program conducted by Atlanta Best Media, where readers, businesses, and the general public nominate their favorite local businesses. Winners are determined solely through community votes, with no ability to purchase nominations or influence voting outcomes.

Bloomin' Blinds distinguishes itself through several service offerings, including free at-home consultations where their mobile showroom brings samples directly to customers' homes. The company provides transparent pricing with free estimates, ensuring customers understand costs upfront without hidden fees. Additionally, they offer advanced motorization and smart home integration options, allowing homeowners to operate window coverings on pre-programmed schedules. Those interested in more information can connect with the company through their window blinds, shades, shutters, and drapes Facebook page for updates and design inspiration.

The company also maintains a strong focus on safety and accessibility. Their window treatments incorporate child safety features, and their team provides on-site repair services for existing shades, shutters, or blinds. For customers planning their window treatment options, Bloomin' Blinds offers a window visualizer tool that allows homeowners to preview how specific products will appear in their spaces.

"This award reflects the trust our customers place in us when they invite us into their homes," added Sasher. "From initial consultation through installation, we strive to make the entire process seamless while delivering window treatments that enhance both comfort and aesthetics."

Bloomin' Blinds of Cumming & Johns Creek is a family-owned window treatment specialist serving north Georgia communities. The company provides custom blinds, shades, and shutters with professional measurement, installation, and repair services. Their offerings include motorization options, smart home integration, and financing solutions to accommodate various customer needs and preferences.
