Control Point Heating ? Cooling ? Plumbing ? Electric Sponsors 2026 Summer Concert Series

June 23, 2026

SHREWSBURY, MA - June 23, 2026 -
Control Point Heating ? Cooling ? Plumbing ? Electric is serving as the exclusive sponsor of the 2026 Summer Concert Series at Dean Park in Shrewsbury. The free public event features live music on Thursday evenings from 6 PM to 8 PM throughout the summer months.

The series opened on June 18 and continues weekly through August 6. Scheduled performers include Carolyn Rae & the Rumors on June 18 with high-energy pop and rock, The Catnip Junkies Band on June 25 presenting New Orleans-style jazz pop, Polarized Guru on July 2 with concert jazz fusion, Lacquer Head on July 9 performing rock and alternative hits, Ursa and the Major Key on July 16 offering indie and psychedelic rock, Goza Latin Jazz Band on July 23 with popular songs from Latin America, Frank Viele on July 30 delivering Americana, and Ashley Wineland on August 6 with country and rock selections.

As part of its sponsorship, Control Point Heating ? Cooling ? Plumbing ? Electric is providing the Control Point Comfort Experience. Each week, a drawing selects a winning family that receives a fresh Dean Park cheese pizza delivered to their location at the concert along with snacks and family-friendly drinks. The company is supplying a branded cooler and has prepared its couch for attendee use at the events.

Nick Lupo founded the company in 2007. Control Point Heating ? Cooling ? Plumbing ? Electric provides heating, cooling, plumbing, and electrical services to residential and commercial properties in the area. The firm employs technicians with more than 286 years of combined industry experience. In January 2023, Danielle Boland joined as co-owner and Director of Strategy and Business Operations.

The summer concert series creates opportunities for community members to gather in a public park setting for shared musical experiences. Control Point Heating ? Cooling ? Plumbing ? Electric supports this local tradition, which brings together families and neighbors for free entertainment during the warmer months. Food trucks are also available on-site, with schedule details accessible via a QR code.

Nick Lupo said of the event, "Sponsoring the Summer Concert Series allows us to contribute to community events that bring people together in a welcoming outdoor environment."

Lupo continued, "We are pleased to help facilitate these weekly gatherings and offer the Comfort Experience as a way to enhance family enjoyment at the concerts."

Control Point Heating ? Cooling ? Plumbing ? Electric operates according to core principles of accountability, initiative, solution-oriented thinking, customer focus, and employee wellness. The company is fully licensed and insured and holds EPA certification. Its service range includes gas furnaces, heat pumps, boilers, ductless systems, geothermal heat pumps, water heaters, pipe repairs, panel upgrades, duct cleaning, and indoor air quality improvements.

The VIP Club membership program provides scheduled maintenance visits for homeowners. These appointments include system inspections, testing, and adjustments to support ongoing performance. Commercial clients receive comparable service standards. The firm has adapted to changes in technology and market conditions since its establishment.

The sponsorship reflects the company's ongoing involvement in local activities. Residents are encouraged to attend the remaining concerts in the series at Dean Park to enjoy the music and community atmosphere. The integrated service approach of Control Point Heating ? Cooling ? Plumbing ? Electric supports both residential and commercial needs year-round.

Control Point Heating ? Cooling ? Plumbing ? Electric is a family-owned business founded in 2007, specializing in HVAC, plumbing, and electrical services. With extensive team experience, the company delivers comprehensive solutions for residential and commercial properties.
