The Weinstein Firm Announces Super Lawyers Recognition for Founding Partners

June 24, 2026

June 24, 2026 -
The Weinstein Firm - Decatur announces that founding partners Harris Weinstein and Michael Weinstein have both earned recognition through the Super Lawyers selection process, marking a significant professional milestone as the personal injury law firm enters its thirteenth year of serving Metro Atlanta accident victims.

The Super Lawyers designation, awarded to no more than five percent of licensed Georgia attorneys in any given year, recognizes both Weinstein brothers based on independent research, peer nominations, and peer evaluations across twelve indicators of professional achievement. This recognition comes as the firm continues expanding its presence throughout Metro Atlanta, now operating six office locations across Sandy Springs, Decatur, Roswell, Conyers, Watkinsville, and Peachtree.

Since establishing The Weinstein Firm in 2013, Harris and Michael Weinstein have recovered over thirty million dollars for Georgia personal injury clients across car accidents, truck accidents, motorcycle crashes, bicycle accidents, pedestrian incidents, premises liability situations, rideshare collisions, and catastrophic injury cases. The Weinstein Firm Super Lawyers Recognition reflects the brothers' sixty years of combined

legal experience and their sustained growth in one of Georgia's most competitive personal injury markets.

"Super Lawyers Recognition after thirteen years reflects whether our founding commitment has translated into actual peer standing," said Harris Weinstein, Managing Partner of The Weinstein Firm. "When Michael and I founded this firm, we believed injury victims shouldn't have to fight legal battles alone while recovering. In the post-SB 68 environment, where new regulations have fundamentally changed how claims are built, valued, and tried, this peer recognition demonstrates the trial-readiness and case preparation discipline that accident victims need most. Understanding Georgia's specific courts and insurance carriers has never been more critical for securing fair compensation."

The timing of this recognition proves particularly significant given recent changes in Georgia's personal injury landscape. Georgia Senate Bill 68, effective since April 21, 2025, altered how medical damages are calculated, how fault is apportioned, and how non-economic damages are argued in personal injury cases. These regulatory shifts make peer-recognized experience in Georgia's specific legal environment more consequential than at any prior point in the firm's thirteen-year history.

Beyond the Super Lawyers recognition, The Weinstein Firm's attorneys have earned accolades from The National Trial Lawyers Top 100, The National Trial Lawyers Top 40 Under 40, and received the 2025 Best of Georgia Honorable Mention in personal injury from the Georgia Business Journal. The firm handles all cases on a contingency fee basis with no upfront costs, representing Metro Atlanta car accident victims, motorcycle riders, cyclists, truck accident victims, rideshare collision victims, and all personal injury clients throughout Georgia.
