Ross Moore Law Announces Seventh Consecutive Super Lawyer Rising Stars Selection

June 26, 2026

ATLANTA, GA - June 26, 2026 -
Ross Moore Law announced today that founding attorney Ross Moore II has been selected to the Georgia Super Lawyers Rising Stars list for the seventh consecutive year, spanning 2020 through 2026. The designation, awarded to no more than 2.5 percent of licensed Georgia attorneys annually through a peer-influenced, research-driven selection process administered by Thomson Reuters, places Moore among the most recognized personal injury attorneys in the state.

The Ross Moore Super Lawyer Nomination represents sustained excellence in personal injury representation across Metro Atlanta and Nashville markets since the firm's founding in 2012. The 2024 Rising Stars announcement specifically noted Moore as an attorney who maintains a thorough understanding of client cases on all fronts, meticulously investigating accident scenes and meeting with physicians to understand the damages clients have sustained.

This recognition comes at a particularly significant time for Georgia personal injury victims. Georgia Senate Bill 68, which took effect April 21, 2025, fundamentally changed how medical damages are calculated, how fault is apportioned in multi-vehicle crashes, and how non-economic damages are argued at trial. These

changes make the meticulous case preparation approach that earned Moore this Super Lawyer Nomination more consequential than at any prior point in the firm's 14-year history.

"Seven consecutive Rising Stars selections reflect more than individual achievement; they demonstrate the consistency of our approach to every case over 14 years of Metro Atlanta practice," said Ross Moore, Founding Attorney at Ross Moore Law. "The meticulous investigation and physician consultation approach noted in the 2024 Rising Stars announcement is now the required standard under SB 68's framework. Medical evidence strategy and liability documentation must be built from the first treatment visit rather than assembled later. This peer recognition validates that we've been applying this rigorous standard long before the law mandated it."

Ross Moore Law has recovered millions of dollars in verdicts and settlements for Georgia and Tennessee personal injury clients across car accidents, truck accidents, motorcycle crashes, pedestrian accidents, construction accidents, rideshare collisions, and catastrophic injury cases. The firm handles all cases on a contingency fee basis with no upfront costs, representing injury victims throughout Georgia and Tennessee.

Beyond the Rising Stars recognition, Moore has received additional honors including the National Trial Lawyers Top 40 Under 40, GTLA Lead designation, and NAOPIA Top Ten Attorneys. These recognitions underscore the firm's commitment to excellence in personal injury representation across its practice areas, which include car accidents, motorcycle accidents, truck accidents, pedestrian accidents, construction accidents, Uber and Lyft accidents, wrongful death, medical malpractice, premises liability, product liability, traumatic brain injury, boating accidents, dog bites, and elder abuse.
