May 05, 2016 - PRESSADVANTAGE -

Jucebox Local Marketing Partners has recently completed a custom website redesign for New Life Chiropractic in Rocklin, CA. The website has now been designed to showcase the on-going educational content on chiropractic care that Jucebox creates in collaboration with Dr. Tim, including blog articles and videos. The new website can be accessed through <http://www.newlifechiropracticrocklin.com/>.

Dr. Tim Smith from New Life Chiropractic says: "We are a chiropractic clinic with a difference. Our goal is not just to give patients full mobility and comfort through what we call 'Maximized Living', but also to educate people about the importance of posture, spinal care, and chiropractic services overall. Jucebox Local Marketing Partners has been able to showcase this vision through our new website and we couldn't be happier."

Jucebox Local Marketing Partners is committed to designing websites to provide high quality, responsive websites for their clients. They want to ensure their clients are not only able to have up-to-date websites, but also to have a website that anticipates the future as well. For New Life Chiropractic, they have been able to create a site that is both informative and interactive, enabling current and prospective patients, and professionals alike to find information pertaining to their particular concerns, or to actually get to know the clinic and their services. Full details about the work that Jucebox does can be found on their own website, on

Jucebox took the brief from New Life Chiropractic and immediately got to work. Three months later, the website was fully established and operational, and the clinic was very happy with the results. This prompted Dr. Tim Smith to leave a glowing Yelp review on [http://www.yelp.com/biz/jucebox-local-marketing-partners-roseville?hrid=fdy-06pvPppY2xqB5CrkJg&utm\\_campaign=www\\_review\\_share\\_popup&utm\\_medium=copy\\_link&utm\\_source=\(direct\)](http://www.yelp.com/biz/jucebox-local-marketing-partners-roseville?hrid=fdy-06pvPppY2xqB5CrkJg&utm_campaign=www_review_share_popup&utm_medium=copy_link&utm_source=(direct)). "I have been working with Rebekah and Jucebox for about 6 months now and it has been such a great experience," he says. "Not only is she knowledgeable, she is easy to work with and full of great ideas. Since working with her our blogs, videos, website, reviews and overall online presence have improved dramatically. If you are looking to increase your online presence and get more organic new business you definitely want to work with Rebekah and her team."
