Discreet Plastic Surgery, a clinic in Brooklyn, NY, is proud to announce that they now offer the Tummy Tuck Manhattan procedure. While the procedure has long been offered in their Brooklyn offices but they haven't provided it yet to the people in Manhattan. They have now been able to change this and look forward to welcoming tummy tuck patients in Manhattan.

Dr. Daniel Kaufman from Discreet Plastic Surgery says: "I have long been able to maintain two plastic surgery clinics thanks to the hard work of my staff, but we were limited in terms of the procedures that we could complete in our Manhattan office. We have now been able to extend our services and are happy to see people are already making inquiries."

The Tummy Tuck Manhattan procedure will be offered in exactly the same way and by the same expert surgeon as the one in their Brooklyn office. Dr. Kaufman has been awarded America's Top Plastic Surgeon recognition, as well as Bets of 2012 Manhattan Cosmetic Surgeon. He is a Board certified plastic and reconstructive surgeon with many years of experience behind his belt. Additionally, both the Brooklyn and Manhattan offices are American Association for Accreditation of Ambulatory Surgery Facilities, Inc.

(AAAASF) accredited, which further guarantees the high standards of care that they offer.

Those who have had a tummy tuck or any other procedure at the clinic have been overwhelmingly positive about their experience. "Even though I was a bit skeptical about the idea of any kind of surgery, I am so happy I did it," says Monique P on Facebook. "I am now 7 weeks post op and my results are finally coming in. I did a tummy tuck to get rid of unwanted stomach sagging from having my 3 daughters. Now Im on my way back to having my pre baby body back. Dr. Daniel Kaufman was outstanding and his staff were just as amazing! So happy I went through with it."

The Manhattan plastic surgeon looks forward to welcoming more people to his Manhattan and Brooklyn offices and help them become the best they can be.
