Vancouver-based limousine company provides chauffeured trips to Whistler with car seats, ski equipment transport, and luxury vehicles

KJ Limousine Services Inc., a Vancouver-based luxury transportation provider with more than a decade of industry experience, is offering premium Whistler transportation for groups, families, corporate clients, and special events. The service includes chauffeured trips from anywhere in Greater Vancouver to the Whistler resort, with a full suite of family-friendly amenities including government-approved car seats for children of all ages and enclosed roof-mounted cargo boxes for ski and snowboard equipment.

The Whistler fleet includes 6-passenger luxury SUVs with leather interiors, executive sedans ideal for small business groups, and stretch limousines for celebrations and large parties. All vehicles are maintained to the highest standards of cleanliness, safety, and mechanical reliability. Guests are picked up from their exact location , whether that is a downtown Vancouver hotel, a private residence in Richmond, or the YVR international arrivals terminal , and driven non-stop to Whistler without the hassle of rental cars, shared shuttles, or luggage handling.

Professional chauffeurs handle the notoriously winding Sea-to-Sky Highway with expert familiarity, allowing guests to relax, catch up on work, or simply enjoy the breathtaking views of Howe Sound and the Coastal Mountains. The company?s drivers are trained in defensive driving techniques, regional navigation, and professional courtesy, ensuring a smooth and safe experience regardless of weather conditions on the mountain highway.

?Our Whistler service is designed to make the journey as enjoyable as the destination,? said a company representative at KJ Limousine Services. ?We handle every logistical detail , the ski gear, the car seats, the route planning, the timing , so our guests can focus entirely on their trip. Whether it is a family ski weekend, a wedding party, or a corporate retreat, we provide a seamless, stress-free experience from the moment of pickup to the final drop-off.?

The Whistler Special promotion saves customers up to $80 on round-trip bookings, though availability is limited during peak winter holidays and summer festival season. All ski and snowboard equipment is transported securely in enclosed roof-mounted cargo boxes, eliminating the need for guests to arrange separate gear rental delivery or freight services. The service operates 24 hours a day, seven days a week, accommodating early-morning mountain access and late-night returns from Whistler Village nightlife.

Family-friendly amenities set KJ Limousine apart from standard Whistler shuttle services. Car seats are available upon request for children ranging from infants through youth, including rear-facing infant carriers, convertible 3-in-1 seats, and high-back booster seats. All car seats comply with Canada Motor Vehicle Safety Standards and are regularly inspected for expiration dates and structural damage. This service saves traveling families the considerable burden of bringing their own car seats on the airplane or packing them into a rental vehicle.

Beyond Whistler, KJ Limousine Services provides YVR airport transfers, corporate events, weddings, private city tours of Vancouver, and cruise ship transfers to Canada Place and the Vancouver cruise terminal. Every vehicle undergoes daily pre-service inspections and professional deep cleaning after each booking. The company?s reliable service has earned it recognition as a top transportation provider in the region.

Travelers can book online through the KJ Limousine website or by calling 604-377-1618. Early reservations are strongly recommended, especially during peak ski season from December through March and during major events like the Whistler Film Festival and Crankworx mountain bike festival.
