May 11, 2016 - PRESSADVANTAGE -

Carrie Hartunian Smith, Co-Founder of, Arizona based, Smart Marketing Consulting, is proud to announce that after having launched Anne Fish, of Flying Fish Ventures, LLC recent international bestseller book, Riskformation, the author is changing lives with her message. Smith noted that the author has been asked to speak in front of various group sizes and in the process she has been instrumental in making positive changes in people's lives.

"Anne is creating positive changes in people - and it shows as she has recently been invited as a guest speaker to many different meetings, conferences and large events," Smith states. Most recently, Anne Fish was asked to speak in Austin, Texas, at the Small Business Festival, in front of over 2,000 people. The topic she was asked to speak on was "How to Control Your Fate by Smart Risk Taking in Business and Life."

Smart Marketing Consulting helps businesses reach higher levels of success by incorporating online and offline techniques and strategies to build their brand's awareness and loyalty, whether those businesses are selling products or services.

Smith states, "We have helped a number of authors, entrepreneurs and business owners build their personal brand as an expert in their field. Our goal is to provide these same great results to everyone we work with."

Smart Marketing Consulting will assess individual business structures as well as the specific goals entrepreneurs and business owners have to achieve their vision.

Smart Marketing Consulting worked with Anne Fish during her recent book launch creating a bestseller on Amazon in multiple categories, and then went on to assist with the creation of her professional website and cutting edge marketing techniques. Smith states that Anne is well-known in her niche and has been receiving speaking engagements regularly, and it is wonderful to see how people's lives are changed after hearing her message. Anne Fish has a list of her upcoming events on her website.

Smith states that Smart Marketing Consulting can take these same techniques to assist others, whether an entrepreneur or business, creating new profits, larger profit margins for the future, ultimately achieving the success they are working for in their respective industries.
