

Daniella?s Kitchen Produces Versatile Kitchen Apron Based On Results of Surveyed Customers

May 09, 2016

May 09, 2016 - PRESSADVANTAGE -

Daniella?s Kitchen has launched a new product on the giant shopping portal Amazon. This product called Kitchen Apron With Pockets For Women was produced based on results from a survey. The Amazon vendor created the product with its versatile features to coincide with the best thoughts of the surveyed customers.

Daniella?s Kitchen surveyed a sample of women who were cooks at home. The basis of the study was to decide what would make a good kitchen apron. The results came back with home cooks preferring kitchen aprons with adjustable neck and waist. Additionally the survey concluded that the kitchen aprons should have pockets.

Bearing these results in mind, Daniella?s Kitchen went forward and produced a quality product for home cooks and chefs. The Amazon vendor made the product with women who prepared food in the kitchen in mind.

?After doing the survey, we created kitchen aprons that feature fully adjustable ties for the neck as well as around the waist. The kitchen aprons are also manufactured with two front pockets. This allows the kitchen apron to be capable of holding other kitchen gadgets and utensils that the cook may need,? commented a spokesperson from Daniella?s Kitchen.

The spokesperson would further remark, ?we made sure the pockets were deep to facilitate the keeping of many items. As home cooks go around the kitchen they sometimes tend to need many different utensils for their food preparation. These pockets allow them to be nicely stored.?

The Kitchen Apron With Pockets For Women is handmade in the USA with 100% high quality cotton. This quality fabric makes the kitchen apron lightweight yet durable. According to Daniella?s Kitchen, the product is sure to be capable of withstanding the rigors of the kitchen.

Daniella?s Kitchen offers the Kitchen Apron With Pockets exclusively on the number one shopping portal Amazon. The Kitchen Aprons are sold at an affordable price and are guaranteed by the manufacturer to be machine washable.
