

A Plus Garage Door Repair Highlights Community Partnership with Make-A-Wish Utah on Good Things Utah

July 18, 2026

LEHI, UT - July 18, 2026 -

A Plus Garage Door Repair, a leading garage door service provider based in Lehi, Utah, recently appeared on Good Things Utah to discuss the company's ongoing support of Make-A-Wish Utah and its commitment to helping local families throughout the state.

The television segment showcased the company's partnership with Make-A-Wish Utah, highlighting how the Lehi-based business has integrated community support into its operations while maintaining its focus on providing essential garage door services to Utah residents. The appearance on Good Things Utah provided an opportunity for the company to share its dedication to supporting families facing challenging circumstances.

"Being featured on Good Things Utah allowed us to share our passion for supporting Make-A-Wish Utah and the incredible work they do for children and families across our state," said Carrie Kelsch, Owner at A Plus

Garage Door Repair. "As a company that serves thousands of Utah families each year, we understand the importance of giving back to the community that has supported us since 2005."

The partnership between A Plus Garage Door Repair and Make-A-Wish Utah represents a broader commitment by the company to engage with local organizations that make a meaningful difference in the lives of Utah residents. From its headquarters in Lehi, the company has established itself as both a reliable service provider and an active community participant.

The Good Things Utah feature highlighted how local businesses can create positive impact beyond their primary services. The segment explored the various ways that companies like A Plus Garage Door Repair can support charitable organizations while maintaining their commitment to customer service excellence.

"Our team believes that success means more than just providing quality garage door services," added Kelsch. "It means being an active partner in making our communities stronger and supporting organizations that bring hope to families during difficult times."

The company's involvement with Make-A-Wish Utah aligns with its established reputation for community engagement. With more than 27,000 five-star reviews from customers across Utah, the company has built its success on a foundation of trust and reliability that extends beyond traditional business operations.

A Plus Garage Door Repair provides comprehensive garage door services including repairs, installations, and maintenance for both residential and commercial customers throughout Utah. The company offers 24/7 emergency service and specializes in repairing springs, openers, rollers, cables, panels, remotes, eye sensors, and weather seals. Additionally, they install various types of garage doors including steel, glass, insulated, aluminum, wood, and wood composite options.

Founded in 2005, the company has grown from a local startup to one of Utah's most recognized garage door service providers. The company maintains showrooms in Salt Lake City and St. George, and holds full licensing in Utah under DOPL license number 8979136-5501. The company is also certified by the International Door Association, demonstrating its commitment to industry standards and professional excellence.
