July 21, 2026 -

Truly Investor Cap continues to strengthen its position in the real estate investment lending market under the leadership of President Darin Judis, whose three decades of mortgage industry experience drives the company's mission to provide streamlined financing solutions for real estate investors nationwide.

The company, which has funded over 116 loans across multiple states, specializes in providing fast, flexible lending solutions tailored to various investment strategies. Under Judis' direction, Truly Investor Capital darin judis has developed a comprehensive suite of loan products designed to meet the diverse needs of today's real estate investors.

Darin Judis brings extensive expertise in wholesale, correspondent, and business-purpose lending to his role at Truly Investor Cap. His career has been marked by a commitment to helping mortgage professionals, brokers, and real estate investors secure financing solutions that support long-term growth. Throughout his tenure in executive leadership positions with nationally recognized mortgage organizations, Judis has

focused on expanding lending operations, strengthening broker relationships, and developing scalable lending platforms.

"Real estate investors need lending partners who understand their unique challenges and can deliver financing solutions quickly and efficiently," said a Truly Investor Cap spokesperson. "Under Darin Judis' leadership, we have built a platform that combines decades of industry expertise with modern technology to provide investors with the capital they need to grow their portfolios."

The company offers specialized lending programs including DSCR loans, which are based on rental income rather than personal income and offer up to 80 percent loan-to-value with 30-year fixed options. Bridge loans provide short-term financing with 12-month terms and no prepayment penalties, while rehab loans finance fix and flip projects with up to 90 percent of purchase price and 100 percent of rehab costs covered.

Construction loans support ground-up projects with flexible draw schedules and terms ranging from 12 to 24 months. These diverse financing options reflect the Darin Judis Brand philosophy of understanding each investor's goals before recommending appropriate financing solutions.

Truly Investor Cap has embraced innovation in mortgage lending through digital applications, automated underwriting, and improved technology platforms. This approach reduces unnecessary delays and streamlines loan processing while maintaining the personalized service that investors value. The company's three-step funding process simplifies deal structuring and application submission, allowing investors to focus on their projects while the lending team handles the financing details.

The emphasis on responsive customer service and fast closings has earned Truly Investor Cap recognition from investors nationwide. The company's average closing time and commitment to transparent communication throughout the lending process demonstrate its dedication to supporting real estate investors' success.

Truly Investor Cap is a real estate investor lending company providing financing solutions for residential real estate investors across the United States. The company specializes in DSCR loans, bridge loans, construction loans, and rehab loans, serving both direct borrowers and broker partners with a focus on efficiency, transparency, and long-term partnership development.
