

Bubba's Smokehouse & Spirits Expands Catering Services with Mobile Bar and Mocktail Offerings in Paso Robles

July 30, 2026

PASO ROBLES, CA - July 30, 2026 -

Bubba's Smokehouse & Spirits has expanded its event catering services to include comprehensive mobile bar and mocktail catering throughout the Paso Robles region, addressing growing demand for professional beverage service at private events and corporate gatherings across the Central Coast.

The expansion introduces full-service mobile bar capabilities designed for events starting at 30 guests, featuring four hours of dedicated bartending service, complete bar table setups with professional linens, and customizable drink menus that blend classic smokehouse cocktail traditions with local wines, craft beers, and handcrafted non-alcoholic mocktails. The service enhancement positions the established Paso Robles restaurant to meet increasing requests for integrated food and beverage catering at vineyard estates, private residences, and corporate venues throughout the region.

"Our service represents a natural evolution of our hospitality offerings," said the owner Roger Sharp

mentioned in this post. "We recognized that our clients wanted the same quality and attention to detail in their beverage service that they've come to expect from our barbecue catering. This expansion allows us to provide a complete event experience with professional bartenders managing everything from setup through service."

The mobile bar service combines the restaurant's established expertise in craft beverages with the logistical capabilities developed through years of catering operations. Professional bartending staff handle all aspects of beverage service, including transportation, setup, drink preparation, and breakdown, transforming private parties and estate gatherings into seamless social experiences. The comprehensive approach eliminates common event planning stress points by providing dedicated personnel who manage both alcoholic and non-alcoholic beverage options throughout the event duration.

The mobile bar and mocktail catering Paso Robles CA beverage menu reflects the diverse preferences of Central Coast event attendees, offering curated selections that pair naturally with the restaurant's signature smoked meats while also standing alone as sophisticated drink options. The inclusion of artisanal mocktails ensures that all guests, regardless of beverage preference, receive equally crafted and presented drinks. This attention to zero-proof options has become increasingly important for corporate events and multi-generational gatherings where inclusive beverage programs are essential.

The restaurant's strategic location on 24th Street in Paso Robles provides optimal access to Highway 101 and Highway 46 East, enabling efficient deployment of mobile bar teams across the region. This geographic advantage allows the catering division to maintain consistent service standards while reaching remote vineyard locations and private estates throughout San Luis Obispo County. The established infrastructure supports simultaneous events while maintaining the quality standards that have defined the restaurant's reputation since its evolution from a Mid-State Fair concession trailer to a cornerstone of Paso Robles dining.

Bubba's Smokehouse & Spirits continues to operate its primary restaurant location at 1125 24th Street in Paso Robles, serving its full menu of slow-smoked meats, signature sides, and craft beverages daily. The restaurant was founded by local entrepreneur Roger Sharp and has developed a reputation for authentic barbecue, warm hospitality, and comprehensive catering services that now span from intimate gatherings to large-scale events accommodating up to 300 guests.
