July 27, 2026

OKLAHOMA CITY, OK - July 27, 2026 -

Cortes Law Firm announced today that founding attorney Stephen Cortes has been selected to the 2026 Super Lawyers list, marking his fifth consecutive year receiving this prestigious recognition. The selection recognizes Cortes for his exceptional work in estate planning and probate law throughout Oklahoma.

Super Lawyers, a rating service that identifies outstanding attorneys across the United States, selects no more than five percent of lawyers in each state for inclusion on its annual list. The multi-phased selection process includes independent research, peer nominations and evaluations, along with achievement in the practice of law.

Cortes, who has practiced law in Oklahoma for over 27 years, continues to demonstrate excellence in estate planning and probate administration. His selection as an Oklahoma Super Lawyer reflects both his legal expertise and his commitment to serving clients throughout the state. The recognition spans from 2022 through 2026, highlighting consistent excellence in his practice areas.

"Being recognized for five consecutive years validates the dedication our firm brings to every client matter," said Steve Cortes, founder of Cortes Law Firm. "Estate planning and probate law require not just legal knowledge, but also compassion and understanding during what can be difficult times for families. This recognition belongs to our entire team who works tirelessly to ensure clients receive the guidance they need."

The selection process for Super Lawyers involves a rigorous methodology that evaluates attorneys based on peer recognition and professional achievement. Candidates undergo evaluation through twelve indicators of peer recognition and professional achievement, including verdicts and settlements, transactions, representative clients, experience, honors and awards, special licenses and certifications, position within law firm, bar and professional activity, pro bono and community service, scholarly lectures and writings, education and employment background, and other outstanding achievements.

Stephen Cortes brings extensive experience from both public and private sectors to his practice. He previously served as General Counsel for Governor Brad Henry and as Referee of the Oklahoma Court of Civil Appeals. His professional affiliations include membership in WealthCounsel, a national community of estate planning professionals, the Oklahoma Bar Association, and the Oklahoma County Bar Association. He also serves as a Leadership Oklahoma Lifetime Member and volunteers as a Board Member of the Oklahoma City Rescue Mission.

At Cortes Law Firm, the focus remains on providing comprehensive estate planning services, including preparation of wills, trusts, powers of attorney, and healthcare directives. The firm also assists families through the probate process, helping to navigate legal proceedings and ensure proper distribution of estates according to the deceased's wishes.
