Leven Rose, a natural health and beauty located in Colorado Springs, CO, is proud to announce one of their top-selling oils, 100% pure Pomegranate Seed Oil. This oil is filled with omega 5 fatty acids that help to enhance the health of the skin and hair. Pomegranate Seed Oil is available through Amazon at, <http://www.amazon.com/TRUSTED-Leven-Rose-Pomegranate-Seed/dp/B00VHKDV94>.

Courtney Olsen, of Leven Rose, explains: "As with all our products, Pomegranate Seed Oil is 100% organic. It contains just one ingredient, with nothing added or taken away. It is non GMO, free from parabens, fillers, additives, or fragrances and we are anti animal cruelty. Just pure goodness in a bottle."

The Pomegranate Seed Oil is cold-pressed to hold the most nutrients in the oil. It is 100% organic and helps to heal and regenerate the skin. This oil has been clinically proven to improve the elasticity of the skin and its cell renewal. It helps in reducing the appearance of wrinkles and other signs of aging and adds a beautiful glow back to dull and dry skin.

Pomegranate Seed Oil can be found on the Leven Rose?s website at

<https://www.levenrose.com/products/pomegranate-seed-oil>. This oil leaves the skin radiant, nourished, soft, and healthy looking. "Pomegranate Seed Oil is suitable for dry and oily skin types alike, and can even be used on hair," adds Courtney Olsen. "It helps to naturally revitalize dry and brittle hair, adding shine to it."

The most important part of the oil is that it contains high levels of punicic acid, which is the omega 5 fatty acid. This has been found to have anti-inflammatory properties and combat signs of aging, such as wrinkles. It fights free radicals, unclogs facial and scalp pores, and helps to promote hair growth.

Leven Rose also offers a 100% satisfaction guarantee. They answer all emails and offer 100% refund or replacement to anyone unsatisfied with their order.
